

# A3 Flyer Template

## 297mm x 420mm Landscape

### Printing Guidelines:

#### Recommended Space: Dotted Red Outline

Ensure all text and information remain within the recommended space for the best results.

#### Cutting line: Black Outline

Be cautious of placing any important content or text within the 3mm area, as they may be cut.

#### Bleed Area: 3mm Pink Outline

This area is trimmed off after printing. It's important to extend colours or images to the edge, otherwise you may be left with a white perimeter.
